

**Behaviour Agreement**  
**Clubs & After-school activities**

At Thomas Jones, we expect all children to follow our school rules and behaviour policies throughout the day, including at any after-school activities.

If your child were to demonstrate any inappropriate behaviour, there will be consequences, similarly to within school.

By signing up your child for a club, this forms an agreement that you will adhere to the rules of the behaviour agreement as stipulated below.

**For the first instance of inappropriate behaviour at a club:** parents will be informed, and a child will have to miss 1 session of the club to reflect upon their behaviour.

**For repeated instances of inappropriate behaviour:** the child will be removed from the club and no longer able to attend.

**Please note, no refunds will be given in these circumstances**

Inappropriate behaviour in clubs includes, but is not limited to:

- Being rude towards the adult leading the club
- Repeatedly ignoring adult instructions
- Being unkind towards others in the club, either verbally or physically
- Pushing, pulling or hitting other pupils in the club

Kind regards,

Natasha Peurois
