

## What Has Been Achieved Over the Last 12 Months?

- Astonishing **academic outcomes** – **within the top 1% of schools nationally.**
- **Number-on-roll (NOR)** – the school is full to capacity and continues to be significantly oversubscribed with long waiting lists in all classes and **over 200 applications to Reception** – seven applications for each Reception place – the highest for a single form entry school in RBKC (70+ names on Reception’s waiting list).
- **97% attendance** – evidencing in real terms the simple fact that pupils value learning above all else and want to come to school.
- The school’s appearance in the **Sunday Times Parent Power list of ‘Top 50 (out of 17,000) Primary Schools’ based on SATs results.**
- **Sporting success** – continuing to compete and challenge with aplomb. Our boy’s football team are 2024 football league cup champions.
- Summer 2024’s remarkably accomplished **staging of ‘Oliver’ – deft and exacting.**
- **An ‘Ofsted Outstanding’ school** – awarded outstanding in all categories in November 2023 (only just over 12 months ago).
- Sustaining the overtly **positive ethos**, culture and overwhelming calmness of the school – effusively commented upon by our many visitors.
- The **effusive views** of a large and diverse number of individuals – contained within our most recent ‘What They Say’ folder.
- Our **Nursery and Reception** classes - harmonious and sublimely engaging.
- The high quality-**learning environment** that continues to impress - maintained on a modest budget.
- **The staff team** – despite being forever thinly spread, **collegiate**, resilient, loyal, **magnanimous and cheerful.**
- **Our Patrons** – ensuring that the school is able to purchase quality books and other resources.
- **Choir’s disarming performances** – too many to mention.
- So many initiatives and ventures, including the superlative **History Club.**
- Continued involvement of the **Grenfell Wellbeing Team** has supported pupils in focussing on their emotional health.
